FRESH-BAKED COOKIES

What costs more, a cookie or a customer?

Costing only cents per customer, offering fresh-baked cookies is a personal, cost-effective, and easy way to say, "We value your business."

Offer the cookies your
customers already know and love.

Welcome more people home with fresh-baked cookies.

- Everybody loves fresh-baked cookies. They are the ultimate comfort food and will help you create a cozy and relaxing environment for your furniture store.
- Cookies make people happier and more agreeable. Offering fresh-baked cookies will provide your customers with an experience that will stay top-of-mind.
- Distinguish your business from your competition and create the sense of home.
- Have cookies baking in your store for an extra-special greeting. The aroma is sure to captivate your customers.
- Entice customers to stay and shop longer. It's been stated by members who use the program that customers spend more time in the store when fresh-baked cookies are offered.
